Additional Information: Brand new import, direct from the distributor. Mikov side opening auto, from the largest knife makers in Czech Republic. Have been making knives for decades. The Predator is a side opening auto, with folding release that makes it safe to carry in a pocket. Great action, 420 Stainless Steel. Fires using double springs, that can be removed and replaced in seconds with no tools. Also available in a host of other versions, with ABS, wood, genuine stag, horn or Simulated stag, and with versions with multiple folding tools. See the range at [mikov.co.za](http://mikov.co.za) Fully guaranteed and at great prices, lower than anywhere overseas. Ship anywhere in SA via courier. Comes with luxury leather pouch in LH, and a nice cordura one in RH, brand new and unused.
