Additional Information: One of Heckler's most advanced and most prestigious semi auto rifles. The G28Z guarantees an accuracy level of max. 1.5 MOA with 10 rounds of precision ammunition at 100 metres. This semi-automatic rifle also has a two-stage gas adjustment for the use of a silencer. Very, very few in SA, new price being over R230K. Extras include HK PSG1 type grip, front vertical grip and extra mag as well as an Ase Ultra FDE silencer. It has less than 40 rounds through it, and is as new. The G28Z is one step up from the MR308, and is a precision military grade rifle. It has not been licenced and is in dealer stock, buyer to take over and can be moved to your local dealer. Viewing can be arranged by appointment.
