

Nikon Sporter EX 10x50 binocular Roof Water proof, Powerful binoculars with 10x magnification and 50mm diameter front lens. This binocular combines very good optical quality and robustness and is therefore ideal for activities such as trekking and nature observation. The compact and lightweight housing is nitrogen-filled and therefore fog-free. A rubber coating ensures easy handling. Multi-layer coated lenses ensure a bright and brilliant image, the design with large exit pupil distance ensures a sharp field of view and comfortable viewing through binoculars for spectacle wearers. Waterproof (up to 10min at 1m depth). 98m field of view at 1,000m.
